Stay Safe Online

Stay Safe Online – Checklist

- Use **strong, unique passwords** for each account (avoid using your name or DOB).
- Enable **2-factor authentication (2FA)** on Gmail, Instagram, and banking apps.
- Never click on **unknown links** sent via WhatsApp, email, or SMS.
- Avoid using **public Wi-Fi for logging into sensitive accounts** like banking or college portals.
- Keep your devices updated with the latest **security patches and antivirus software**.
- Do not share **personal details (OTP, passwords, Aadhaar, etc.)** with anyone online.
- Verify job offers, internships, or scholarships before applying — watch out for scams.

UPI & Financial Safety Tips

- Never share your **UPI PIN** — even bank officials will NEVER ask for it.
- Always **check the receiver's name** before sending money via UPI apps like GPay/PhonePe/Paytm.
- Avoid "**collect request scams**" — don't approve unknown payment requests.
